

Specimen Shipping Liability Protection

Cryo-Logix offers a specimen shipping protection program available exclusively to our clients. While every precaution and effort is taken to ensure safe and timely delivery of specimens, shipping accidents can happen.

Specimen Shipping Liability Protection provides coverage to minimize the financial impact to our clients if an adverse event happens during shipping.

The following coverage is automatically provided for all specimen transports:

Specimen Shipping Liability Protection will pay for out-of-pocket expenses associated with the replacement cost of lost or damaged reproductive tissue, up to a total cost not to exceed \$35,000. It is understood and agreed that in the event a second procedure is not possible, this protection plan would reimburse for the cost of the original procedure, up to the limit provided, and not to exceed the actual cost of the original procedure.

Protection for:

- Compromised specimens due to damaged or destroyed shipping tanks.*
- Compromised specimens due to dramatic change in temperature. *

*If a claim is filed, actual policy terms and conditions will apply; protection begins once received by designated shipping carrier and ends once received at final destination,

Cryo-Logix can neither verify nor guarantee the viability of the specimens being shipped.
